# [PROPOSED] COMBINED PLAN OF REORGANIZATION AND DISCLOSURE STATEMENT

#### INTRODUCTION

This is Debtors' Combined Chapter 11 Plan of Reorganization and Disclosure Statement "The Plan". The Plan identifies each known creditor by name and describes how each claim will be treated if the Plan is confirmed.

Part 1 contains the treatment of creditors with secured claims; Part 2 contains the treatment of general unsecured creditors: likely to result in around 5% recovery of allowed claims in one lump sum payment. Taxes and other priority claims would be paid in full, as shown in Part 3.

Most creditors, those in impaired classes, are entitled to vote on confirmation of the Plan. Completed ballots must be received by Debtor's counsel, and objections to confirmation must be filed and served, no later than [date]. The court will hold a hearing on confirmation of the Plan on [date] at [time].

Attached to the Plan are exhibits containing financial information that may help you decide how to vote and whether to object to confirmation. Exhibit 1 includes background information regarding Debtors and the events that led to the filing of the bankruptcy petition and describes significant

events that have occurred during this Chapter 11 case. Exhibit 2 contains an analysis of how much creditors would likely receive in Chapter 7 liquidation. Exhibit 3 shows Debtors' monthly income and expenses. Exhibit 4 describes how much Debtors are required to pay on the effective date of the plan. Exhibit 5 shows Debtors' monthly income and expenses related to each investment property.

Whether the Plan is confirmed is subject to complex legal rules that cannot be fully described here. You are strongly encouraged to read the Plan carefully and to consult an attorney to help you determine how to vote and whether to object to confirmation of the Plan.

If the Plan is confirmed, the payments promised in the Plan constitute new contractual obligations that replace the Debtors' pre-confirmation debts. Creditors may not seize their collateral or enforce their pre-confirmation debts so long as Debtors perform all obligations under the Plan. If Debtors default in performing Plan obligations, any creditor can file a motion to have the case dismissed or converted to Chapter 7 liquidation, or enforce their non-bankruptcy rights. Debtors will be discharged from all pre-confirmation debts (with certain exceptions) if Debtors makes all Plan payments. Enforcement of the Plan, discharge of the Debtors, and creditors' remedies if Debtors default are described in detail in Parts 5 and 6 of the Plan.

reorganized Debtor pursuant to § 1141(b) of the Bankruptcy Code free and clear of all claims and interests except as provided in this Plan, subject to revesting upon conversion to Chapter 7 as provided in Part 6(f) below.

(c) Plan Creates New Obligations. Except as provided in Part 6(d) and (e), the obligations to creditors that Debtors undertake in the confirmed Plan replace those obligations to creditors that existed prior to the Effective Date of the Plan. Debtors' obligations under the confirmed Plan constitute binding contractual promises that, if not satisfied through performance of the Plan, create a basis for an action for breach of contract under California law. To the extent a creditor retains a lien under the Plan, that creditor retains all rights provided by such lien under applicable non-Bankruptcy law.

#### PART 6: REMEDIES IF DEBTOR DEFAULTS IN PERFORMING THE PLAN

- (a) <u>Creditor Action Restrained</u>. The confirmed Plan is binding on every creditor whose claims are provided for in the Plan. Therefore, even though the automatic stay terminates on the Effective Date with respect to secured claims, no creditor may take any action to enforce either the pre-confirmation obligation or the obligation due under the Plan, so long as Debtor is not in material default under the Plan, except as provided in Part 6(e) below.
- (b) Obligations to Each Class Separate. Debtors' obligations under the Plan are separate with respect to each class of creditors. Default in performance of an obligation due to members of one class shall not by itself constitute a default with respect to members of other classes. For purposes of this Part 6, the holders of all administrative claims shall be considered to be a single class, the holders of all priority claims shall be considered to be a single class and each non-debtor party to an assumed executory contract or lease shall be considered to be a separate class.
- (c) Material Default Defined. If Debtor fails to make any payment, or to perform any other obligation required under the Plan, for more than 10 days after the time specified in the Plan for such payment or other performance, any member of a class affected by the default may serve upon Debtors and Debtors' attorney (if any) a written notice of Debtors' default. If Debtors fail within 30 days after the date of service of the notice of default either: (i) to cure the default; (ii) to obtain from the court an extension of time to cure the default;

Individual Chapter 11 Combined Plan & Disclosure Statement

- or (iii) to obtain from the court a determination that no default occurred, then Debtors are in Material Default under the Plan to all the members of the affected class.
- (d) Remedies Upon Material Default. Upon Material Default, any member of a class affected by the default: (i) may file and serve a motion to dismiss the case or to convert the case to Chapter 7; or (ii) without further order of the court has relief from stay to the extent necessary, and may pursue its lawful remedies to enforce and collect Debtor's pre-confirmation obligations.
- (e) Claims not Affected by Plan. Upon confirmation of the Plan, and subject to Part 5(c), any creditor whose claims are left unimpaired under the Plan may, notwithstanding paragraphs (a), (b), (c), and (d) above, immediately exercise all of its contractual, legal, and equitable rights, except rights based on default of the type that need not be cured under section 1124(2)(A) and (D).
- (f) Effect of Conversion to Chapter 7. If the case is at any time converted to one under Chapter 7, property of the Debtors shall vest in the Chapter 7 bankruptcy estate to the same extent provided for in section 348(f) of the Bankruptcy Code upon the conversion of a case from Chapter 13 to Chapter 7.
- (g) Retention of Jurisdiction. The bankruptcy court may exercise jurisdiction over proceedings concerning: (i) whether Debtors are in Material Default of any Plan obligation; (ii) whether the time for performing any Plan obligation should be extended; (iii) adversary proceedings and contested matters pending as of the Effective Date or specifically contemplated in this Plan to be filed in this court (see Part 7(f)); (iv) whether the case should be dismissed or converted to one under Chapter 7; (v) any objections to claims; (vi) compromises of controversies under Fed. R. Bankr. Pro. 9019; (vii) compensation of professionals; and (viii) other questions regarding the interpretation and enforcement of the Plan.

#### PART 7: GENERAL PROVISIONS

(a) Effective Date of Plan. The Effective Date of the Plan is the fifteenth day following the date of the entry of the order of confirmation, if no notice of appeal from that order has been filed. If a notice of appeal has been filed, Debtors may waive the finality requirement and put the Plan into effect, unless the order confirming the Plan has been stayed. If a stay of the

Individual Chapter 11 Combined Plan & Disclosure Statement July 30, 2012

confirmation order has been issued, the Effective Date will be the first day after that date on which no stay of the confirmation order is in effect, provided that the confirmation order has not been vacated.

- (b) <u>Disputed Claim Reserve</u>. Debtor will create a reserve for disputed claims. Each time Debtor makes a distribution to the holders of allowed claims, Debtor will place into a reserve the amount that would have been distributed to the holders of disputed claims if such claims had been allowed in the full amount claimed. If a disputed claim becomes an allowed claim, Debtor shall immediately distribute to the claimant from the reserve an amount equal to all distributions due to date under the plan calculated using the amount of the allowed claim. Any funds no longer needed in reserve shall be returned to Debtor .
- (c) <u>Cramdown</u>. Pursuant to section 1129(b) of the Bankruptcy Code, Debtors reserve the right to seek confirmation of the Plan despite the rejection of the Plan by one or more classes of creditors.
- (d) <u>Severability</u>. If any provision in the Plan is determined to be unenforceable, the determination will in no way limit or affect the enforceability and operative effect of any other provision of the Plan.
- (e) <u>Governing Law</u>. Except to the extent a federal rule of decision or procedure applies, the laws of the State of California govern the Plan.

#### (f) Lawsuits.

Debtors believe that causes of action for fraudulent transfers, voidable preferences, or other claims for relief exist against the following parties:

Party	Creditor Y/N	Nature of Claim	Amount of Claim	Will Debtor Prosecute Action? Y/N
None				

(g) <u>Notices</u>. Any notice to the Debtors shall be in writing, and will be deemed to have been given three days after the date sent by first-class mail, postage prepaid and addressed as

- (h) Post-Confirmation United States Trustee Fees. Following confirmation, Debtors shall continue to pay quarterly fees to the United States Trustee to the extent, and in the amounts, required by 28 U.S.C. § 1930(a)(6). So long as Debtors are required to make these payments, Debtors shall file with the court quarterly reports in the form specified by the United States Trustee for that purpose.
- (i) <u>Deadline for § 1111(b) Election</u>. Creditors with an allowed secured claim can make a timely election under section 1111(b) no later than 14 days before the first date set for the hearing on confirmation of the Plan.

#### Exhibit 1 - Events That Led To Bankruptcy

There were four main reasons that caused the Debtors' financial difficulties and ultimately forced them to file Chapter 11. They were:

First, the real property located at 2332 Harrison, Oakland, California ("Harrison") was operated as a residential hotel when acquired by Debtors. In 2007, Debtors planned to convert Harrison to a commercial hotel, in order to achieve the highest and best use of the property. However, in order to change the usage of the property and get a permit, the City of Oakland required that Harrison be vacant for a period of one year. During the vacancy period the property had no income, but huge expenses that created financial difficulties, and destroyed the Debtors' cash flow. As a result, the Debtors had to borrow against their other properties' equity to pay for Harrison's monthly mortgage and expenses.

Second, the real property located at 353 Grand Avenue, Oakland, California ("Grand")was acquired as an apartment building. In early 2008, to take advantage of the real estate boom, Debtors decided to demolish the property and convert it into a condominium complex with 26 units and 3 store fronts. Debtors did a feasibility study and got permits from the City of Oakland to build the 26 condominiums. Debtors evicted the tenants in order to demolish the apartment units, but the property stayed vacant with no income for over 8 months. In order to keep Grand financially afloat, Debtors borrowed against their equity in other properties.

Third, during the summer of 2008, real estate values crashed, and Debtors' main source of income, which was derived from real estate development, investment, and management, was severely impacted.

Fourth, Lone Oak Fund LLC, a creditor secured by Harrison, forced it into a receivership.

#### Exhibit 2- EVENTS DURING BANKRUPTCY

Harrison and Grand were re-rented. However, Debtors were not able to achieve positive cash flows or equity in either property. Loan Oak Fund, LLC obtained relief from the Automatic Stay and conducted a trustee's sale of Harrison.

Pursuant to a compromise of controversy, Debtors surrendered Grand to the lienholder in exchange for a payment of \$100,000. Debtors had incurred a large administrative real property tax claim to the Alameda County Tax Assessor. As a consequence of the surrender, Debtors are informed and believe that this tax claim will follow the property and not be an obligation owed by the bankruptcy estate.

Debtors' principal residence has at all pertinent times been the real property located at 1025 Harker Avenue, Palo Alto, California ("Harker"). Harker consists of a main dwelling and adjoining in-law units. At the beginning of this case, Debtors resided in the main dwelling and rented out the in-law units. As of June 2013, Debtors moved into the in-law units and rented out the main dwelling. Presently, Debtors receive rent of \$7,500 from the main dwelling, and in addition, receive assistance of \$3,000 per month from their two adult children who live with them.

Further, Debtors surrendered to Chrysler Financial and Wachovia Dealer Service the two Chrysler motor vehicles that had been financed.

In addition to losing Harrison and Grand, Debtors also lost the real property located at 240 E. O'Keefe, East Palo Alto, California.

Debtors entered into "Stipulations" with Deutsche Bank National Trust Company holder of 1<sup>st</sup> deed of trust on Harker, and with Wells Fargo Bank on the "Chaucer" and "Sevier" properties. Debtors entered into a loan modification agreement with Bank of America regarding the single family residence located at 1111 Alma Street, Palo Alto, California.

Creditors Tomoko Nakama and Robert Taylor, both holders of junior liens secured by Grand and Harrison, have become unsecured and will have their claims provided for in Class 2(b).

Claims held by the Alameda County Tax Assessor for real property taxes secured by Grand and Harrison, are now no longer claims against the estate, as any tax obligations have followed these properties and are now the responsibility of the new owners of Grand and Harrison.

#### Employment:

Debtor, Benyam Mulugeta, has two master degrees and has been a real estate broker and investor since 1985. The past four years as debtor in possession he has devoted most of his time managing and stabilizing the estate. Post confirmation, he will be returning full time as real estate broker and consultant. He already received an offer from Regnum Group LLC as Director of acquisition and development, starting salary of \$135,000 per year plus bonus. In addition, he will be joining his old company Alain Pinel Realtors on part time bases as broker associate/consultant in June, 2013.

Debtor, Paula R. Mulugeta has BA in accounting. Currently she is working part time at Palo Alto YMCA. Once the Plan is confirmed and Debtors are out of bankruptcy, she is planning to get a full time job, which will increase the employment income.
